

### 7. Demands for additional and Supplementary grants for 1937-38.

Fifteen demands for additional and supplementary grants aggregating Rs. 50,81,566 which were placed before the House were taken up on the second day. Of the seven cut motions tabled for consideration, five were moved and withdrawn after explanation offered by the Government, the remaining two not having been moved at all. All the demands were passed.

### 8. Resolutions.

There were twelve resolutions tabled for discussion and four of them were taken up for discussion on the last day. The resolution regarding the appointment of a committee of officials and non-officials to review the work done by the people's representatives in local and legislative bodies for considering the grant of further reforms was discussed and withdrawn after the explanation offered by the Government. The second resolution which had for its object the appointment of a committee to examine the provisions of the Government of India Act of 1935, relating to All-Indian Federation and to consider the administrative and constitutional preparations, if Mysore decided to join the Federation, was not pressed, after discussion, in view of the reply given by Government that they viewed with sympathy the request for the formation of a committee. The third and the fourth resolutions recommending the adoption of measures for drink prohibition in at least two taluks bordering the Salem District and the appointment of a committee consisting of officials and non-officials to consider and recommend the grant of further instalment of political reforms at an early date, respectively, were discussed and withdrawn after the explanations offered by Government.

The Session concluded at 5-10 P.M., on the 26th January 1938 and thereupon the Council adjourned *sine die*.
